W15-P2: Show AdminProducts table for CRUD

=> Chrome demo (initial 4 products)

The screenshot shows a web application running on localhost:3000/store_00/admin_00/products_00. The interface includes a sidebar with 'Dashboard', 'Sales', and 'My Products' (selected). The main content area displays a table titled 'Products_00' with a 'Create Product' button. The table lists four products: contemporary sofa, comfy bed, chic chair, and avant-garde lamp. The total number of products is 4.

Product Name	Company	Price	Actions
contemporary sofa	Comfora	\$400.00	
comfy bed	Homestead	\$300.00	
chic chair	Luxora	\$200.00	
avant-garde lamp	Modenza	\$100.00	

Total Products : 4

=> Chrome demo (delete a product, 3 left)

The screenshot shows the same web application after deleting the 'contemporary sofa' product. The table now lists three products: comfy bed, chic chair, and avant-garde lamp. The total number of products is 3. The 'contemporary sofa' row is no longer present.

Product Name	Company	Price	Actions
comfy bed	Homestead	\$300.00	
chic chair	Luxora	\$200.00	
avant-garde lamp	Modenza	\$100.00	

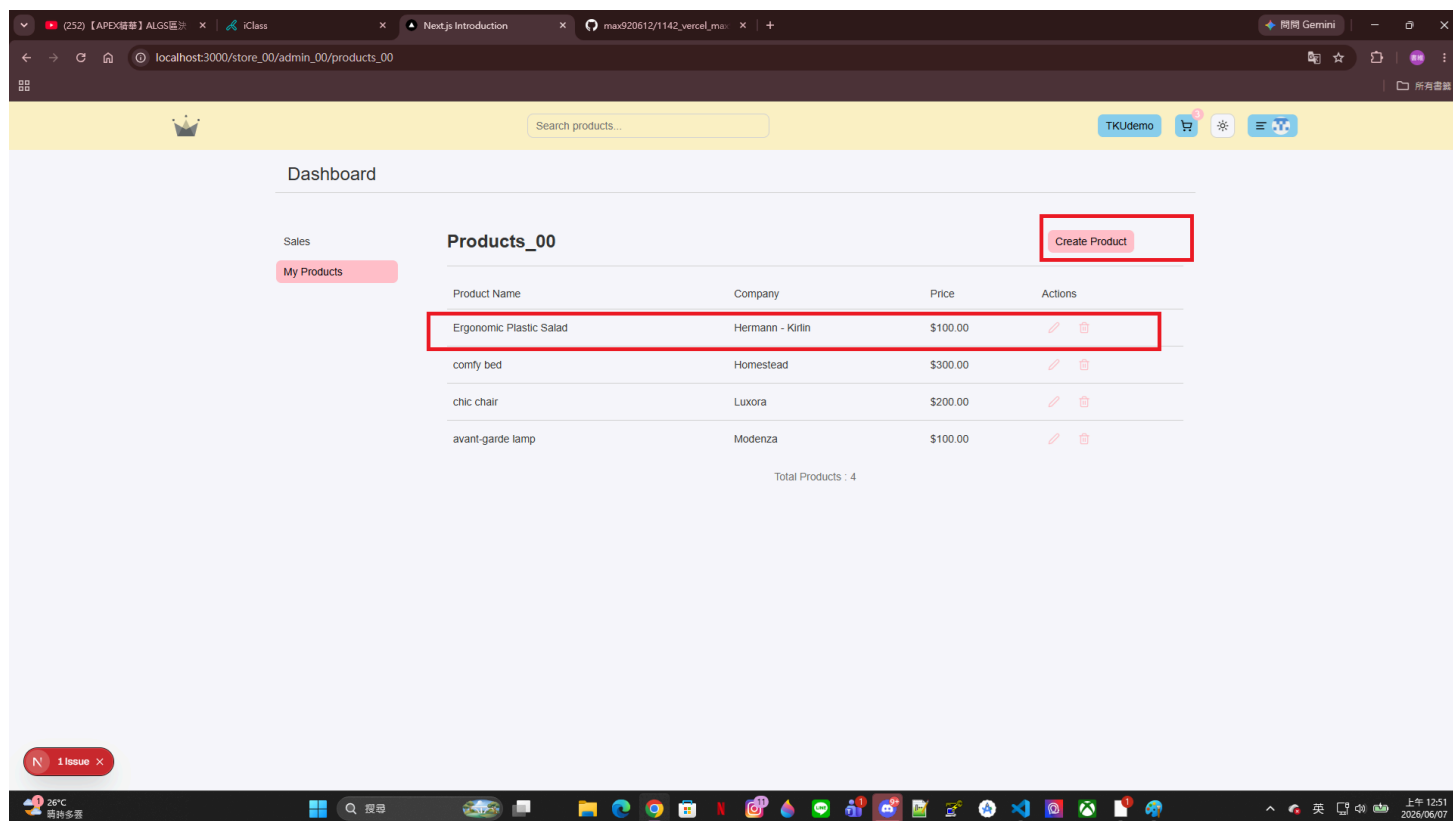

Total Products : 3

The screenshot displays a VS Code editor with a React application. The left sidebar shows the file explorer with a project structure including a 'src' directory and a 'products' directory. The main editor area is split into two panes. The left pane shows the file 'AdminProductsPage.tsx' with a table component. The table has columns for 'id', 'name', 'company', 'price', and 'actions'. The 'actions' column contains buttons for 'edit' and 'delete'. The right pane shows the file 'actions.ts' with functions for creating, deleting, and updating products. The table is currently empty.

W15-P3: Create Product and Update Product

=> Chrome, create a product using createProductAction

=> Chrome, create a product using createProductAction2

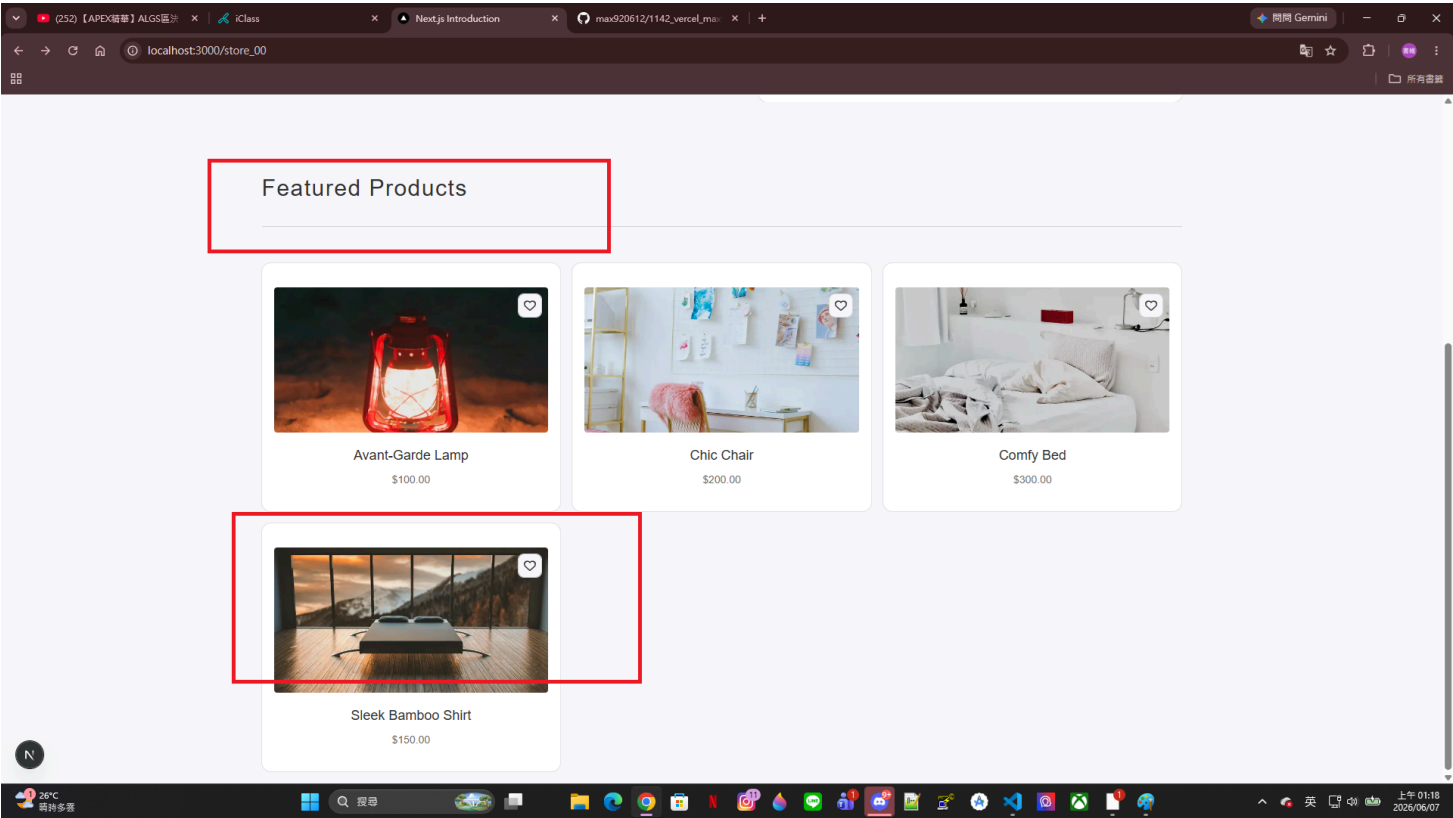

The screenshot displays a web application interface for updating a product. The browser's address bar indicates the URL is `localhost:3000/store_00/admin_00/products_00/20bc8f96-92f6-4077-8b77-f96e1440c449/edit`. The dashboard layout includes a sidebar with 'Sales' and 'My Products' links. The main content area is titled 'Update Product' and features a form with the following fields:

- Product Name:** Sleek Bamboo Shirt
- Company:** Wunsch - Towne
- Price (\$):** 150
- Image Url:** /images/store/products-2.jpg
- Product Description:** Est supplanto tertius civitas ocer accusator adopto crebro. Delentli adterro tempore conicio theologus bene. Antepono vulpes repudiandae aggero acer harum vobis. Esse aduro tutis custodia addo bardus. Tenus coadunatio peior adnuo infiti cauda. Super ab vinculum paens vetus nihil subiungo ventosus. Acer laboriosam baltus contra caput. Vilicus vis abscido vitium ubi celebrer textus. Curso quia sumo somnus inflammatio alter ait. Adicio caveo ante volubilis copia viriliter altus sortitus conforto. Decor urbs arx concido adeptlo correptus aiunt. Assentator tardus tutamen.
- Featured:** A checked checkbox.

A red box highlights the 'Update Product' button at the bottom of the form. A success message 'Product updated successfully' is displayed in a white box at the bottom right of the page.
